Are you seeking an opportunity to help shape the built environment and elevate communities through architecture? If so, Mackey Mitchell may be the perfect fit for you! As a nationally recognized architecture firm, we provide innovative and thoughtful design solutions. Our roots started in St. Louis, but our reach extends far beyond, with offices in NC, and TX. We provide a range of design and architectural services. We are committed to supporting career development and promoting life-long learning for all. We are seeking talented project architects with a minimum of 8 years of experience.

We are looking for candidates who:

- Will collaborate with the Project Designer and Project Manager to be an integral part of the project team.
- Balance multiple projects simultaneously.
- Ability to organize and assemble document sets.
- Knowledge of building codes and guidelines.
- Comprehension of building systems (structural, MEP, FP, etc.)
- Have excellent verbal and written communication skills.
- Maintain high performance in a fast-paced environment.
- Are motivated team players and collaborators.
- Exhibit exceptional standards for quality, strong attention to detail, and critical thinking.

Education and Professional Experience:

- Licensed Architect.
- A minimum of 8 years of architectural work experience
- Proficient in Revit, drafting, modeling, and Microsoft Office apps; experience in Adobe CC Suite and Bluebeam review is a plus.
- Experience working with higher education clients is a plus.
- United States Work Authorization required.

We offer a comprehensive benefits package to ensure the well-being of our employees and their families, including health and disability insurance, paid parental leave, wellness reimbursements, mentorship and coaching, flexible work schedules, volunteer time, and more. We also support your professional journey by providing study materials, paying for testing, as well as reimbursement for professional memberships.

If you share our passion for design and want to be a part of a team that believes in shaping the inspired, then we encourage you to apply for our open positions.
