

Summer Internship Program

Mackey Mitchell Architects, P.C. | St. Louis, MO & Dallas, TX

At Mackey Mitchell Architects (MMA), we strive to provide an environment where you can apply and expand the skills you've developed. Each summer, we ask our interns: "What do you hope to achieve this summer?" In other words, how can we help you broaden your knowledge and experience in architecture to better prepare for your final years of school and your future career?

As an MMA intern, you'll gain exposure to a wide range of experiences, including:

- In-office design charettes
- Project team meetings
- Site visits
- A behind-the-scenes look at firm operations (marketing, finance, forming teams, and more)
- Exploring new products and methods
- Project work

Since 1968, we've been shaping buildings and elevating communities through architecture. While our roots began in St. Louis, our reach now extends far beyond, with offices in North Carolina and Texas. From cherished landmarks to places of learning, you may have already unknowingly experienced a Mackey Mitchell project!

Our services include:

- Urban, site, and master planning
- Architectural and interior design
- Feasibility, programming, and site evaluation studies
- Construction administration and observation

We'd love to connect and learn more about where you are in your education and where you hope to be in the future. A summer internship is more than just a job—it's an opportunity to immerse yourself in hands-on learning and gain valuable experience at all levels of architectural practice.

Education & Professional Experience Requirements:

- Currently enrolled in an accredited Architecture program
- Proficient in Revit
- Proficient in Microsoft Office (Excel, Outlook, Word); familiarity with Adobe Creative Suite is a plus
- Ability to prioritize and manage multiple tasks simultaneously
- Strong organizational skills and attention to detail
- Team-oriented mindset with excellent verbal and written communication skills
- United States work authorization required

If you share our passion for design and want to be part of a team that believes in shaping the inspired, we encourage you to apply for our Summer Internship Program!
